What is Show My Homework?

Homework on your computer, phone and tablet!

A to-do list organises all your work for you.

Helps you manage your homework from wherever you are.

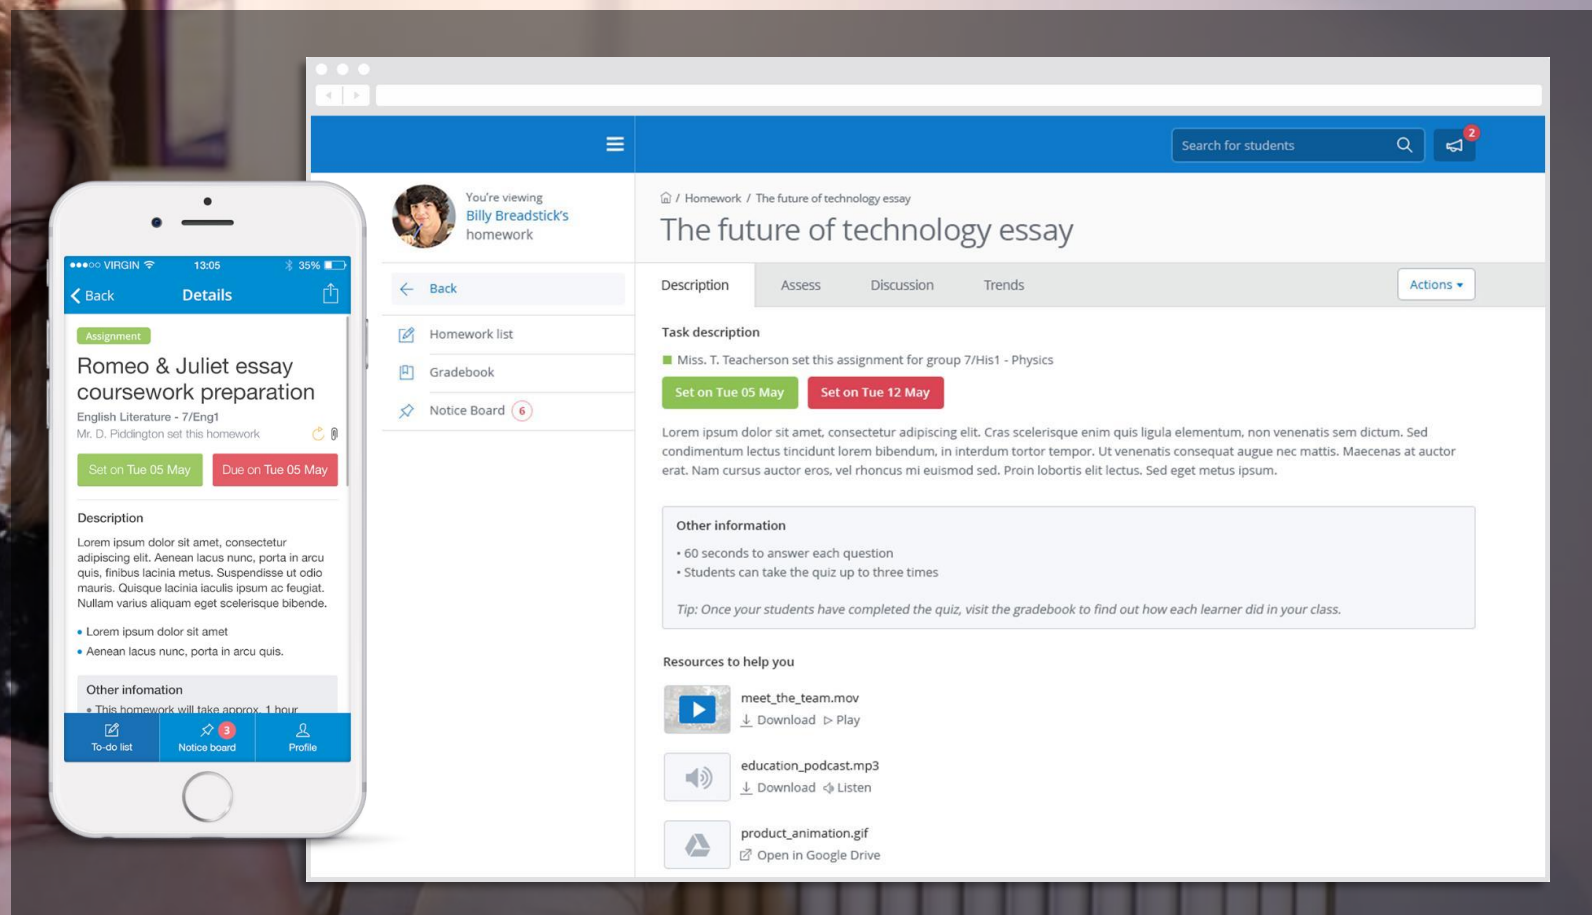

How Show My Homework helps solves your homework problems:

- Keeping your homework organised
- No need to write down homework before leaving class
- Sends you reminders for when homework is due
- Helps you show how much homework you have
- Keeps you up to date when you're away from school
- Let's you message your teacher in private when you don't understand or need extra help

Homework description

Your homework tasks are clearly laid out in Show My Homework with all the information you need to complete them.

The Gradebook

Faster feedback from your teachers, including grades where required.

See comments from your teacher if they ask you to redo your homework and have the ability to reply.

The screenshot displays the 'Gradebook' page in the Show My Homework application. The user is Margaret, and the page shows a list of homework tasks with their submission status and grades.
