

Course Outline

Pupils are required to successfully complete 3 units of work as follows:

Business in Action

Learners will develop skills and knowledge and understanding relating to the role of business and entrepreneurship within society.

Influences on Business

Learners will investigate stakeholders' influences on businesses and will acquire skills and knowledge and understanding relating to the financial, economic, competitive and social environment in which businesses have to operate.

Added Value Unit: Business Assignment

In this unit, learners will draw on and apply the skills, knowledge and understanding they have gained from across the other units of the course.

All units will be internally assessed but will be subject to external verification by SQA.
