Dear Parent/Carer

An iPad for Learning - Home School Agreement

The Connected Learning iPad scheme will provide every secondary pupil with an iPad and a range of e-learning tools and resources to assist and enhance their learning at school and at home. This iPad provided belongs to Glasgow City Council and is traceable through the Council's Mobile Device Management system.

I am pleased to update that all young people at Bannerman will be issued with their iPad in the coming months to help them with their learning both in school and at home. For further information on the Connected Learning iPad scheme please access the following YouTube clips:-

- **iPad Deployment** (Hold **Ctrl** and **click**) - Why are they here and how will it work?
- **iPad Policy Agreement** (Hold **Ctrl** and **click**) - A video of the ipa parent/carer home agreement.

All parties involved (pupils, parents/carers and the school) must agree with all of the terms and conditions outlined in the agreement form that will be issued to all pupils. This form **must** be signed and returned to allow your child to take the allocated iPad home.

Yours faithfully

S Colquhoun
